From your Principal...

Dear STM Families,

As you have heard, we will be hosting a viewing of *Screenagers* this Thursday evening. Tickets are selling fast, so I encourage you to get yours if you have not done so already.

A reminder for afternoon carpool – we have a "Fast Pass" line-up under the covered carport at Prinster Hall from 3 pm to 3:30 pm every day. This is a pass auctioned off at our annual gala that allows parents to pick up their children without waiting in the carpool line. Parents who need to pick up their children early from After School Care, while the carpool line is in process, please park your car by the Recycling Bins and walk up to Prinster Hall. Also, we ask that walk-up parents park on the residential side of Wigton Drive. The Pre-K Carpool line is from 3 to 3:30 pm each school day. Parents drive to the Pre-K building, heading East towards Hillcroft. The Preschool Carpool line is on the school side of Wigton and must remain free of parked cars. Thank you for your understanding and your help.

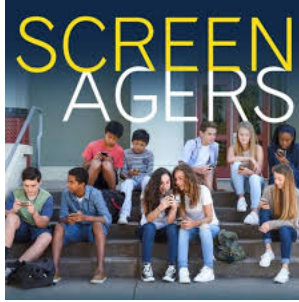

Have a good evening.
