

# Confirmation Year-2 Service Requirement

## Be Like Christ

Serving the community is one of the most powerful ways we can be like Christ in the world. We can leave the world a better way if we all take time to serve our brothers and sisters in need.

There is also something to be said about serving the community *TOGETHER*, with your small group. Nothing bonds a small group like serving. **So this year all year 2 groups will do their service projects together with all of the members of their small group.** Your group will have the freedom to plan their own service project and serve however they'd like.

Requirements:

- The service project must involve the whole small group in some way.
- The service project must benefit the community in some way.
- The service project proposal must be approved by DECEMBER 16<sup>th</sup>, 2018.
- The service project must be completed by MARCH 31<sup>st</sup>, 2018.
