Third Sunday of Easter

Jesus said to his disciples: Come and eat. And he took bread and gave it to them, alleluia

Today's Gospel describes what we can easily imagine as a picnic on the beach. Just as Jesus' miracle at the wedding feast at Cana blesses the love between man and woman celebrated in the sacrament of marriage, Jesus' attentiveness to food and mealtimes raises the possibility that our meal gatherings can be sacred times. In families, the domestic church, our meals together are everyday opportunities to gather and recall Jesus' presence with us. As in the Eucharist, we bring the gifts that God has given us, which have been prepared especially for our Mass, and at our family meals we share gifts that God has given to us and that we have worked together to prepare. This includes the food on the table and also the people who gather around the table. We ask God to bless these gifts and to be present among us in all of our interactions.
