October is  
Prolife Month

St. John XXIII offered the following words for this feast day: ... *our Father in heaven has charged his angels to come to our assistance during our earthly journey which leads us to our blessed fatherland, so that, protected by the angels' help and care, we may avoid the snares upon our path, subdue our passions and, under this angelic guidance, follow always the straight and sure road which leads to Paradise...*

Everyone of us is entrusted to the care of an angel. That is why we must have a lively and profound devotion to our own Guardian Angel, and why we should often and trustfully repeat the dear prayer we were taught in the days of our childhood. May we never fail in this devotion to the angels! During our earthly pilgrimage we may often run the risk of having to face the natural elements in turmoil, or the wrath of men who may seek to do us harm. But our Guardian Angel is always present. Let us never forget him and always remember to pray to him.

**From the Pastor:** Today, the Liturgical Year requires that we celebrate the Twenty Seventh Sunday in Ordinary Time. As far as the daily calendar goes, October 2, is the feast day of the Holy Guardian Angels.

Angels were created by God before he made the earth. They are spiritual beings and as such, do not have a body or take up space.
