

## Building on **FAITH** for the Future

### **Our Lady of Mount Carmel Building Improvement Fund**

Over the years, parishioners, visitors and friends of Our Lady of Mount Carmel have contributed their time, talent and treasure to keep our small parish community thriving. We have a beautiful building but it is in need of maintenance and repair. This past summer an inspection of our building and grounds revealed several improvements that will need to be addressed in the next one to three years including our bell tower, stained glass windows, office windows and foundation.

In order to make these improvements we will need to start saving now. To start, Our Lady of Mount Carmel is opening a building improvement fund. Our insurance company indicated we should start with our bell tower (estimated cost of \$8,000) and stained glass windows (estimated cost of \$18,000). Our goal is to raise \$40,000 for all of our new improvements over the next three years. Your donation, no matter how big or small will help us reach our goal.

Donations to the fund will receive recognition on a new parish plaque displayed in the main entrance of the church. A \$400 donation is the minimum amount to receive recognition on the plaque. Donations of \$1,000 or more will receive premier space on the plaque. Donations can be made on behalf of families or in memory of someone.

To make a donation to our building fund, you can give in the Sunday Offering that's marked for the building fund or mail in your donation to the office specifying the building fund.

Thank you for your generous and heartfelt support of Our Lady of Mount Carmel!
