

## IT'S THAT TIME OF YEAR AGAIN!!!!

The Eau Claire Deanery Partnership for Religious Education for Catholics with Special Needs will be starting its second year of instruction beginning soon! If you have a family member (regardless of age) with an identified disability requiring specialized and/or modified instruction, we would be happy to speak with you to develop a program to meet their needs.

Also... if any member of your family (high school age, college student, or adult of any age) would be interested in serving as a mentor in our program, we would LOVE to have you join us as well. The lessons are all prepared for you. Mentors just need to follow the lesson plan for that session while developing a positive relationship with their "partner".

If you are interested in participating in this program in any capacity, please contact the Program Coordinator, Mary Brown at 715 - 8397965 or e-mail at [moodsbrown@hotmail.com](mailto:moodsbrown@hotmail.com)
