

How to Use Back to Books

Your School Bookstore—Online!

Welcome to the St. Pius X online school bookstore! Here you will find all of the books that you are required to have that are not provided by the school.

PLACING AN ORDER

You can order online anytime, 24/7. Or, if you prefer, please call our toll-free line to place an order with one of our customer service reps. Please have your student's schedule available as we use that information to help you find the books he or she will need.

To order online: Our custom website will take you through the steps quickly and easily.

To get started, go to the St. Pius X website (<http://www.stpiusxhs-kc.com>). The link to Back to Books is on the front page. If you would prefer, the direct link is <https://www.backtobooks.com/stpiusx.asp>.

1. **Log On:** Enter Your Student's ID and password. This year, St. Pius is using all new student ID's. Your new Student ID is printed on the upper left corner of your schedule. Because of the new student ID's, all passwords have been reset to "welcome". The next screen verifies that you are ordering for the correct student. If the name and student ID are correct, press "Yes". Then you will be asked to change your password. Enter "welcome" as your old password, then use 4-10 characters to enter any password you would like for your account. Press "change password". This takes you to the Main Menu.
2. **Order:** From here, you can select between books for the regular school year and multiple options for non-required materials such as test prep, dictionaries and study guides. To order your regular school books, just press the "School Year" button on the Main Menu. Next, select all of your student's classes from the list. If a specific class is not listed then there are no books required for that class. Press "submit" and the selection of required books and materials appears. If used books are available, the option to purchase used will show up automatically on the list. Press "continue" to view your cart. At this point, you may make changes, continue shopping or proceed to check out.
3. **Check Out:** First, please verify your address, phone number and e-mail address and make changes as needed. Next, select the shipping method you prefer, then enter payment information. Once you're ready, press "Place Your Order". The next screen is your receipt – you can print this copy or return to your account online to view and/or print it anytime.
