FROM THE  
PASTOR'S DESK

Dear Brothers and Sisters,

As you are aware, this past Sunday was the day of the annual Columbus Marathon. Mass attendance on Sunday was way down from normal due to the fact that it is difficult to get through the streets for the 9:00 a.m. Mass and impossible to have an 11:30 a.m. Mass. Our parish is totally encircled by the race. Next year, I'll be asking you if you would attend an earlier Mass (8:00 a.m.?) on this Sunday or perhaps look for other solutions. I value your input on this matter. Please let me know how you feel about this and what might work best for everyone.

God's Peace,  
Fr. David

***"And Jesus said to him, 'Go your way; your faith has made you well.' And immediately he received his sight and followed him on the way." (Mark 10:52)***

Faith is believing in something even though you may not be able to see it. Many people think that miracles don't happen anymore. But, if you focus on the positive, not the negative, focus on your blessings instead of your hardships, miracles will seem common and you will see God's active presence in your daily life. Learn how you can focus on the positive and create a lasting change by supporting your parish and contact *The Catholic Foundation*.
