From the Desk of Kim Doyle

Dear Parish Members and Friends of St. Wenceslaus Catholic School,

Thank you for an incredible school year. Without your support and prayers, our school would not be the fantastic place that it currently is. We are so excited to bring a faith-filled education to the students in pre-school through 8th grade. Our students develop a relationship with God through daily prayer, classroom study, and participation in faith traditions and practices. They learn to be disciples with numerous service opportunities, studies about the needs of those near and far, and by challenging themselves to be Christ-like role models for others.

We are thrilled to be a C-STEM school. C-STEM means our students learn by participation and collaboration. They have hands-on projects in science, technology, engineering, and math that is infused into all areas of our curriculum. Students learn to think critically and creatively and communicate clearly. They are becoming problem solvers and inventors as they work on challenging tasks.

We have had a fantastic year with many successes. Our students are receiving an academically excellent Catholic education. Our staff remains strong and capable, and their commitment and dedication are top notch. Our school parents are hard workers who join forces to provide the best school for their kids. Our donors and supporters see the fantastic things we are doing and continue to give generously so that our school is sustainable. It takes the entire village to provide for SWS, and we are grateful to have our community surround us. Thank you to everyone who has been a part of SWS this year.

Peace,
 Kim Doyle

Western Catholic Community

From the Desk of Deacon Bob

Trinity Sunday, a day when many homilies border on heresy. We know more about the atmosphere on a faraway planet, like Mars or Jupiter, than that which we know about the Trinitarian nature of God.

In my grad school days at the St. Paul Seminary, I had a number of classes taught by theologians. When they would speak, it was as if their minds were able to draw knowledge from spiritual dimensions in otherworldly planes of existence not generally accessible to most of us day-to-day people. I would ask them a question, and there would be a pause as they searched these other dimensions of knowledge before answering. I remember attempting to read the great Catholic theologian Fr. Karl Rahner's definition on the "Economic Trinity." Rahner was a German theologian and he wrote in the German language. It is true that what is expressed in one language is not always directly translatable in another. Case in point, what Rahner wrote in German about the Economic Trinity was very difficult to understand in English. I attempted many times to understand his definition of the Economic Trinity (Note: the Economic Trinity is not a Walmart special, 3 natures of God for the price of one) but to no avail.

So here is my, hopefully, non-heretical, non-understanding of the Trinitarian nature of God. In the Hebrew Testament, we hear about a one powerful God who breathes upon the waters of the abyss and life was created. The Hebrew Testament writers call the breath of God, Ruah, that is, the Spirit of God. God's voice speaks to and through the prophets to the people of Israel. The writers of the Hebrew Testament call God's voice, the Logos or God's Word. In the first chapter of John's Gospel, the Word of God is identified as Jesus, God incarnate. Just as in our human body, our breath and our voice are inseparable and one with our body, so the Holy Spirit, the breath of God, and Jesus, the Word of God, are inseparable and one in God. The bottom line is this. Jesus taught that God is a Trinity, one God and three natures: Father, Son, and Holy Spirit. If that is good enough for Jesus, it is good enough for us.

Teresa Rademacher has been with St. Wenceslaus School since 1992. First as a Parent, then an Office Assistant, and now an Instructional Aide. She has been blessed to work with grades K-8. At the beginning of the day, she is outside at the drop-

off area greeting students as they walk into the building and helping them cross the parking lot safely. She also does playground supervision.

When Mrs. Rademacher is not at school she enjoys sewing, knitting, reading, and gardening. But most of all she loves spending time with her family. She has an Associate of Science degree in Electronics and worked in that field for 20 years. Mrs. Rademacher can always be found smiling and in a happy mood. She brings so much joy into the building and the lives of the children.

**WESTERN CATHOLIC COMMUNITY
 St. John's & St. Scholastica**

Feast of Corpus Christi

The Catholic Church has always taught that the bread and wine are changed into the Body and Blood of Christ. Although they still look like bread and wine, they have, by divine power, actually changed into His Body and Blood. How can we know this? It requires faith. It is a mystery which, like love, we will never fully understand. The Trinity, the divinity of Jesus, His death and Resurrection are other mysteries which, along with the Eucharist, we will never fully comprehend in this life. Come celebrate this divine mystery of the Body and Blood of Christ at St. John's Corpus Christi benediction in Union Hill on Sun., June 3rd after the 10 am Mass.

Thank You!

To everyone that donated flowers for the shrine at St. Scholastica on Mother's Day and to Paul for tilling the ground. Also a big thank you to Ann, Diane, Marlene, Cindy, Doreen, Monica, and Millie for planting all the flowers.

A few words from Deacon Bob...

~ There will not be a Memorial Day Mass at either St. Scholastica or St. John the Evangelist church sites. We invite all those from the WCC who wish to celebrate Mass that day to the Mass being celebrated at 9:30 am at St. Wenceslaus Cemetery (if the weather is good) or at the St. Wenceslaus church site (if the weather is not good). ~ Please place on your calendar the 10 am Mass on June 3rd at St. John the Evangelist in Union Hill. June 3rd is the Feast of the Holy Body and Blood of Jesus. Following Holy Communion, there will be a Eucharistic procession to 2 outdoor altars with Mass concluding with Benediction back in the church. All from our parish who have received the sacraments of Holy Communion and Confirmation this year are invited to take part in the Mass and procession.

~ Congratulation to all our graduates from the New Prague, Tri-City, and Belle Plaine schools, and all from our community who are graduating from Vocational School, Colleges, and Universities. One truth I've learned is that graduation from school is always a beginning of something new. May what you have learned be applied to the adventure that remains ahead of you and always be prepared for surprises.

Prayer for Summer

Father, creator of all, thank you for summer! Thank you for the warmth of the sun and the increased daylight. Thank you for the beauty I see all around me and for the opportunity to be outside and enjoy your creation. Thank you for the increased time I have to be with my friends and family and for the more casual pace of the summer season. Draw me closer to you this summer. Teach me how I can pray no matter where I am or what I am doing. Warm my soul with the awareness of your presence and light my path with your word and counsel. As I enjoy your creation, create in me a pure heart and a hunger and thirst for you. Amen.
