**Walk for a Cause: Update**

The Walk for a Cause Committee is pleased to announce that our Catholic community came together for our biggest event in the past 5 years since starting this walk! We had 175 participants and raised \$6,500 for the Adam LaLuzerne Humanitarian Fund!!!! The committee members feel honored and privileged to be a part of such an amazing cause and take solace in knowing that so many people came out to honor Adam's legacy of service to others. As Adam and Mother Teresa remind us, "Spread love everywhere you go. Let no one ever come to you without leaving happier." Let us all continue to let our light shine and serve others each and every day like Adam did. We hope to see everyone back next year!

**Prayer & Reflection Garden News**

Perhaps you have seen some discoloring of the Arborvitae's which surround the Prayer and Reflection Garden. This was caused by the late season snowfall and the more powerful spring sun which "burned" the trees. Unfortunately, many of the trees will need to be replaced as recommended by our design/ landscaping consultant. We appreciate your patience and understanding as work will commence once the trees arrive on site. We hope to complete the project in a timely manner to ensure the beauty of the Fr. Birdsall Prayer and Reflection Garden.

## Movies With a Message

### St. Joseph Faith Formation Center Sundays

**June 24, 6:00 pm: "Therese: Living on Love" (NR)**

St. Therese of Lisieux, known as the Little Flower, is the most popular saint of modern times, and her "little way" of love and confidence has great appeal to people everywhere. When she died at age 24 hardly anyone had heard of her. Now she appeals to millions of people. Her book, *Story of A Soul*, has been translated into 60 languages. This film explores why so many ordinary people from all walks of life are drawn to St. Therese. Journalists, scholars, psychiatrists, priests, nuns and scores of people from around the United States reflect on her appeal and powerful message. The film tells her whole life story as it simultaneously shows the incredible response to the worldwide tour of Therese's relics.

**July 22, 6:00 pm: "Saving Mr. Banks" (PG-13)**

Spurred on by a promise he made to his daughters, Walt Disney (Tom Hanks) embarks on what would become a 20-year quest to obtain the movie rights to "Mary Poppins." The author, P.L. Travers (Emma Thompson), proves to be an uncompromising curmudgeon who has no intention of letting her beloved characters become mangled in the Hollywood machine. However, when the books stop selling and she finds herself in need of money, Travers reluctantly agrees to consider Disney's proposition.

## Holy Trinity Parish in Oconto breaks ground for new church

SAM LUCERO | THE COMPASS

**OCONTO** — Supplied with shovels and hardhats, Bishop David Ricken, Fr. Joel Sember and key community leaders led a groundbreaking ceremony for the new Holy Trinity Church on Friday, May 11.

Located on the current church property, construction of the new church begins this month. General contractor, The Boldt Company, is directing the construction project. Completion is anticipated in time for Christmas.

Holy Trinity, formerly St. Joseph Church, traces its roots to 1870, when approximately 100 families of German and Irish descent decided to build a new church in Oconto. The existing parish, St. Peter, was established in the 1840s by French Canadians.

In 1996, St. Joseph and St. Peter parishes merged to form Holy Trinity Parish. The new church will feature some of the stained glass and statues from both former buildings, according to the parish. The present church

will remain in use while the new church is under construction and will then be disassembled.

According to Fr. Sember, the decision to build a new church followed a review of the current church building. "It was a matter of asking ourselves, how can we ensure a Catholic presence in the City of Oconto for the next 100 years and beyond," the told The Compass. "In 2011, we commissioned studies of the old church

and there are lots of issues like insulation and wiring to foundation issues and structural issues.

"So we came to a conclusion that you could spend a lot of money on the old church just to keep it from falling down, but it wouldn't address other issues such as accessibility and being welcoming," added Fr. Sember.

### FRANKLY, FRANCIS

Dear Brothers and Sisters,

In this, our final catechesis on baptism, we turn to the rites illustrating the grace of the sacrament. Following an ancient tradition, the newly baptized are robed in a white garment signifying their new life in Christ, and are admonished to preserve it unstained for eternal life. Since, as St. Paul says, the baptized have been clothed in Christ (cf. Gal 3:27), they are called to cultivate every virtue, especially charity, which binds the others together (cf. Col 3:14). So too, the taper lighted from the paschal candle symbolizes the light of Christ and the warmth of his love, which, with the help of the parents and godparents, must be nurtured through education in the Christian life. These rites evoke not only our communion in the church on earth but also point to its fulfillment in the heavenly Jerusalem, where God will be our light for ever (cf. Rev 22:5).

## Motherhouse Road Trip lands in Green Bay

BY SAM LUCERO | THE COMPASS

**GREEN BAY** — When Srs. Maxine Kollasch and Julie Vieira professed their final vows as Sisters, Servants of the Immaculate Heart of Mary in 2006, they wanted to share the joy of their religious vocation with others. The two sisters started an online ministry aimed at reaching young people, especially young women.

Today, the ministry is known as "A Nun's Life Ministry" and its outreach now extends across borders and oceans as well as internet platforms. One of their outreach projects is a field trip, where Sr. Maxine and current "Nun's Life" program director, Franciscan Sr. Julie Myers, visit motherhouses around the United States and Canada and host live podcasts called "Ask Sister."

On May 9 and 10, the sisters were in Green

Bay to host their "Ask Sister" podcast at St. Francis Convent, motherhouse of the Sisters of St. Francis of the Holy Cross. It was the 35th field trip, which they call the Motherhouse Road Trip. During the one-hour podcast on May 9, Sr. Maxine interviewed two members of the community: Sr. Laura Zelten and Sr. Mary Kabat.

# 5 THINGS YOU SHOULD KNOW

## About St. Barnabas

PATRICIA KASTEN | THE COMPASS

- 1 The Memorial of St. Barnabas is June 11. Barnabas introduced St. Paul to the Apostles after Paul's conversion. (Acts 9:27)
- 2 Barnabas was born a Jew on the island of Cyprus. His name was originally "Joseph" and he was a Levite (the priesthood caste).
- 3 His name means "son of comfort" in Hebrew. It can also mean "son of exhortation" and some sources believe this may have been given him to show that he was a good preacher.
- 4 He travelled with Paul to Antioch and Asia Minor. Along with Paul, Barnabas is called an Apostle and is honored as a martyr.
- 5 Barnabas was related to John Mark, (the evangelist, Mark). They went together to Cyprus when Paul travelled with Silas.

## Come, Holy Spirit

**H**appy Pentecost! This is the birthday of the church, when our risen and ascended Lord Jesus Christ sent the Holy Spirit upon his bewildered, fearful and mourning disciples who were trying to find their path through the great loss of Jesus. They were also grappling with the fact that for 40 days he was appearing to them, having risen from the dead. He was sharing meals with them, even cooking for them along the shores of the Sea of Galilee. A ghost does not cook food and eat it; a mere spirit cannot ask one of his doubting followers to put his fingers into his wounds and come to believe in his resurrection.

### BISHOP'S CORNER

Bishop David Ricken

Today, with the worldwide bewilderment and confusion surrounding the most fundamental questions about life, truth and love, the body, gender, and marriage and family life, we need to call on the assistance of the Holy Spirit. Along with that, we need a new Pentecost, a fresh outpouring of the Holy Spirit in our church and throughout the world.

In northeast Wisconsin, our diocesan-wide journey, "Disciples on the Way," is preparing us to be more open to a fresh outpouring of the

Holy Spirit. In the next months, our parishes will be engaging in the "Alpha Program," along with powerful "Discipleship Seminars" that will be offered within each region of the diocese. Both of these initiatives, over time, will provide a powerful opportunity for all to develop and grow their personal relationship with Jesus Christ. Jesus is alive, today, within you, and all around you! He loves you and wants to be in a relationship of friendship-love with each and every one of you!

To prepare us even more for this, I am asking every parish to begin praying the Jubilee Year prayer to the Holy Spirit at the conclusion of each Mass. This prayer came to me as a gift from a deep conversation with the Carmelite nuns in Denmark, Wis. They pressed me to write it so that this renewal will be truly guided by the Holy Spirit. Thank you, Mother Christine Marie, and the dear nuns of the Carmelite Monastery of the Holy Name of Jesus! The nuns of Carmel pray every day for our priests, and for all of you and your families; what a blessing it is to have them praying for all of us every day!

Above is the diocesan prayer. Please pray it every Sunday with your parish priest and pray it often at home for the rest of this Jubilee Year 2018, celebrating 150 years of service. Great things will happen for you!
