### **A New Way to Make Your Voice Heard**

Do you want to be a more effective player in the public arena? The Bishops of New York State have established a way for us to do so -- the Catholic Advocacy Network. This uses the convenience of email to let you lobby your legislators from your own home, with just a few clicks of the computer mouse. There is no cost. His Eminence, Cardinal Egan, has asked every parish in the Archdiocese to participate in a "Sign-up Weekend" for the Network next weekend, November 3 and 4. Please keep your eyes peeled for more information.
