Christmas 2018

To the Parish Family of Saint Joseph

Our Faith makes us aware of God's great Love for us, a Love so great He desired to be born of the Blessed Virgin Mary and share our lives and experiences as humans. So Great a Love! So great that we are called to express that Love in the way we lead our lives, treat our family and friends, build up our parish and community and treat those in need of experiencing greater Love in their lives.

Faith and Love are such wonderful virtues, but I have also been thinking about that third virtue: Hope. Christmas is a time to reflect on our hopes for the New Year and our lives. Hope can be experienced in the anticipation of a young child wanting to see the gifts under the Christmas tree or in test results from a doctor regarding the health of a loved one. Hope can be the feeling of a young person about to propose or in the answer for someone awaiting employment. Hope is a virtue because God Loves us and wants the best for us. While He does not always say everything will be perfect all the time, He does say He will always be there for us and Love us. When we speak about Hope, we usually think immediately of the things we Hope for. But what about God--did you ever think that God has certain Hopes for us, our families, our parish and our world? God truly does Love us--let us respond by allowing His Hope's for us to come true.

I want to say Thank You to all of you for the Faith, Hope and Love both I and Fr. Cyprian have experienced from you since coming to St. Joseph's. I also 'Hope' we can continue to grow as a parish family with several new ministries and programs in our 151st year.

On behalf of myself, Father Cyprian, Deacon Joseph Doherty, and our staff, I want to thank you for the wonderful example of Faith, Hope and Love you are to us. Thanks especially to all who volunteer in our various ministries. You make it a joy to serve at Saint Joseph Parish. May the Lord Bless each one of you in this Christmas Season and throughout the New Year.

God Bless, Msgr. Desmond
